

West Boca Administration and PTSA are pleased to announce that we will be once again offering annual sponsorship opportunities for businesses and/or individuals.

Partnerships provide resources needed to enhance student achievement at West Boca High School. Financial contributions and in-kind donations make a variety of programs and events possible for more than 2000 students. Our partners assist the school in achieving academic, technological and campus revitalization goals. Becoming a West Boca High PTSA Business Partner will help fund programs and activities throughout the year. Being a business partner lets the community know that you, or your business, support West Boca High School. We are proud of the 5 academies on campus, our teachers, and staff, and of course, our students!

You can support West Boca in many ways! The PTSA is committed to supporting our school in many areas: Clubs, Senior Activities, and Staff Appreciation, to name a few or just choose General, and we will allocate funds throughout the school as needed.

Please consider becoming a sponsor. You can return the second page of this form to the PTSA drop box, in the front office or you can submit an online form. If you have any questions, you can contact us directly at ptsawestboca@gmail.com.

Thank you so very much for your support!
